Welcome to your Axa Taxi Insurance policy

Our aim is to provide **you** with peace of mind when it comes to looking after **your** taxi insurance needs and to make **your** insurance cover clear and easy to understand

You should read this **policy** booklet along with **your** schedule and **statement of fact** as they give **you** full details of **your** cover.

If **you** have any questions about **your policy** documents, need anything explained or believe this contract does not meet **your** needs, please contact **us** or **your** insurance advisor

Your policy

Your policy is a contract of insurance between **you** and **us** and **you** should take reasonable care to provide accurate and complete answers to all **our** questions.

If **you** fail to provide accurate and complete information this **policy** may not protect **you** in the event of a claim and **we** may cancel or void the policy. Please read the Providing accurate and complete information condition on page 12.

Your policy describes the insurance cover for which **you** have agreed to pay **your** premium. The **policy** wording, schedule and any **endorsements** must be read together.

Your policy is renewable provided that **you** have accepted our renewal terms and paid the premium for any subsequent period of insurance. A new schedule will be issued for each **period of insurance** showing any changes to **your** cover.

Your policy is divided into a number of sections. Where a section does not apply **your** schedule will state that it is not covered.

Throughout **your policy**, **we** use defined terms. Defined terms are used to explain what a word means and are highlighted in bold blue print.

Headings have been used for **your** guidance to help **you** understand the cover provided. The headings do not form part of the contract.

Under the heading 'What is covered' **we** give information on the insurance provided. Under the heading 'What is not covered' **we** draw your attention to what is excluded from **your** policy.

All sections of cover should be read with the **Policy** conditions and **Policy** exclusions which apply to the whole of this **policy**.

Making a claim

If **you** need to make a claim please first check **your policy** to make sure that **you** are covered. **You** must then follow the Claims notification condition and Claims procedure condition under **Policy** conditions on page 11.

Please contact **your** insurance adviser who will help **us** deal with **your** claim quickly and fairly.

Here are some quick and handy tips

If you have had an accident

Follow these steps if **your insured vehicle** is involved in an accident

- 1 stop at the roadside if there has been an injury to a person, animal, vehicle or property
- 2 make sure both **you** and **your** passengers are safe and out of danger
- 3 call 999 if **you** need emergency help or if the accident has left a dangerous situation
- 4 if another driver is involved, please ask for their details – name, address, telephone number, insurance company and vehicle registration details
- 5 do not admit responsibility for the accident – **we** suggest **you** say **you** have to discuss it with **your** insurer.

Make a note of what happened in case **you** need it later on. **We** suggest **you**

- a note the time, name of the road or the location
- b draw a diagram of the position of all vehicles involved
- c write down the driving conditions i.e. raining, dark
- d take photos of damage or evidence
- e try and get witness statements and their contact details.

Report the accident to **us** as soon as **you** can on the phone number highlighted on page 5, even if **you** do not want to make a claim.

Making a claim

We know how stressful it can be if **your vehicle** is involved in an accident, however the sooner **you** report it, the sooner **we** can help **you**.

You can call our UK-based claims line highlighted on page 5. It will be useful if **you** have **your policy** number and details of the incident available when **you** call **us**.

Once **you** have called or sent **us** details about a claim **we** will

- 1 register **your** claim
- 2 give **you** a claim number to quote

- 3 talk **you** through the process, including confirming what **you** are covered for
- 4 arrange next steps.

Getting your vehicle repaired – an overview

If **your vehicle** is covered for repairs **we** can help take the stress away if **you** choose to get it repaired through one of **our approved repairers**. Doing this means that

- 1 **you** do not need to organize estimates
- 2 **we** will pay the repairer directly (**you** just pay the **excess** and VAT, if **you** are VAT registered, to the repairer)
- 3 all repair work is guaranteed for the life of **your vehicle** (while **you** continue to own it)
- 4 **your vehicle** will be collected and delivered back to **you**.

Important – are your details correct?

You have a legal requirement to make sure that **your vehicle** details are kept up to date on the Motor Insurance Database (MID), which is run by the Motor Insurer's Bureau (MIB). Please make sure that **you** have read the Motor Insurance Database (MID) condition shown on page 12.

Stay insured, stay legal – penalties for uninsured motor vehicles

It is a legal requirement to have continuous insurance in place for **your vehicle**. If there is no record on the MID showing the **vehicle** is insured and **you** have not declared it as 'off road' by completing a SORN (Statutory Off Road Notification) **you** may receive a letter from the DVLA. This letter will tell **you** that **you** could face a fine or prosecution, and the **vehicle** could also be clamped, seized and ultimately, destroyed.

The new law will apply in England, Scotland and Wales. It will not apply in Northern Ireland, the Channel Islands and the Isle of Man.

You can check that the details held about **your vehicle** on the MID are correct by visiting **www.askmid.com**.

- 9** **We** will be allowed complete control of any proceedings and settlement of the claim.

- b** refuse to pay the **claim** and cancel the **policy** from the date of the **claim** or alleged **claim**, without any refund of premium; or
- c** refuse to pay the **claim**,

and **we** may inform the police of the circumstances.

Law applicable condition

You and **we** can choose the law which applies to this **policy**. **We** propose that the Law of England and Wales apply. Unless **we** and **you** agree otherwise, the Law of England and Wales will apply to this **policy**.

We may ask **you** to provide further information and or documentation to ensure that the information **you** provided when taking out, making changes to or renewing your policy was accurate and complete.

Policy conditions *continued*

If **you** do not comply with this condition and fail to take reasonable care to provide accurate and complete answers to **our** questions then if the failure is

1. deliberate or reckless **we** can elect to make **your** policy void and keep the premium. This means treating the policy as if it had not existed and that we will not return **your** premiums, or
2. not deliberate or reckless and **we** would not have provided cover had **you** provided accurate and complete answers to the questions, then **we** can elect to make **your** policy void and return **your** premium or
3. not deliberate or reckless and **we** would have issued cover but on different terms had **you** provided accurate and complete answers to the questions then **we** can:
 - a) reduce proportionately any amount paid or payable in respect of a claim under **your** policy using the following formula. **We** will divide the premium actually charged by the premium which **we** would have charged had **you** provided accurate and complete answers to the questions and calculate this as a percentage. The same percentage figure will be applied to the full amount of the claim to arrive at the proportion of the claim to be paid or payable; and/or
 - b) treat **your** policy as if it had included the different terms (other than payment of the premium) that **we** would have imposed had **you** provided an accurate and complete answers to the questions

Where **we** elect to apply one of the above then

- a) if **we** elect to make **your** policy void, this will be from the start of the policy, or the date of variation or from the date of renewal.
- b) **we** will apply the formula calculated by reference to the premium that would have been charged to claims from the start of the policy, or the date of variation or from the date of renewal
- c) **we** will treat the policy as having

different terms imposed from the start of the policy, or the date of variation or from the date of renewal depending on when the failure to provide complete and accurate answers occurred.

- d) if **we** decide to void the policy **we** will seek to recover any payments made and costs incurred as the result of **us** having to comply with **our** Road Traffic Act obligations

It is a criminal offence under the Road Traffic Acts to make a false statement for the purposes of obtaining motor insurance and **we** may report **you** to the authorities should **we** consider there to have been a serious or reckless presentation of the risk.

Motor Insurance Database (MID) condition

Information relating to **your policy** will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain statutory and/or authorized bodies including the police, the Driving and Vehicle Licensing Agency (DVLA), Driving and Vehicle Licensing Agency Northern Ireland (DVLANI), the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including.

- 1 Electronic Licensing;
- 2 Continuous Insurance Enforcement;

- 4 The provision of government services and/ or other services aimed at reducing the level and incidence of uninsured driving.

If **you** are involved in a road traffic accident (either in the UK, the European Economic Area or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital the MID holds **your** correct registration number. If it is incorrectly shown on the MID **you** are at risk of having **your vehicle** seized by the police. **You** can check that **your** correct registration number details are shown on the MID at www.askmid.com.

You should show this notice to anyone insured to drive **your vehicle** covered under **your policy**.

Other insurance condition

Right of inspection condition

You must grant **us** free access at all reasonable times to examine **your vehicle** whether or not a claim has been submitted.

Proof of no claims discount condition

If **your** schedule shows that **we** have included a no claims discount on **your policy**, **you** must prove **your** entitlement to this discount.

You can prove this by

- 1 sending **us** the original, most recent renewal notice from the previous insurer of **your vehicle**, or
- 2 sending **us** a letter from the previous insurer of **your vehicle** which confirms the no claims discount **you** had earned when the previous **policy** was cancelled.

Proof of **your** no claims discount must

- a be earned on an insurance **policy** issued within the United Kingdom
- b be earned on an insurance **policy** which was cancelled no more than two years immediately prior to **your policy** start date
- c be earned on an insurance **policy** issued in **your** name.

If **we** do not receive proof of no claims discount within 28 days of **your policy** start date then **we** will

- i remove the discount from **your policy** start date, and
- ii charge an additional premium equivalent to the discount that was previously included.

Recovery and redelivery of your vehicle condition

If **you** cannot use **your vehicle** as the result of loss or damage covered under this **policy we** will pay the costs of

- 1 protecting it and moving it to the nearest repairers, and
- 2 returning it to **you** after repair to any address **you** wish as long as the cost is no more than it would be if **we** delivered it to **your** address shown in the schedule.

Salvage condition

If **we** settle **your** claim by replacing **your vehicle** or by paying its **market value**, **your vehicle** will immediately become **our** property.

If **your vehicle** has a personalised registration number **you** may retain this, subject to DVLA rules and regulations.

Temporary vehicles condition

If **you** need cover for a temporary period on any vehicle that is not already covered by **your policy**, **you** must tell **us** beforehand and get a temporary cover note.

Sanctions condition

This contract of insurance is subject to sanction, prohibition or restriction under United Nations resolutions. It is a condition of **your policy** that **we** will not provide cover, or pay any claim or provide any benefit under **your policy** to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us**, or our parent, subsidiary or any AXA group member company, to any trade or economic sanctions, or violate any laws or regulations of the United Kingdom, the European Union, the United States of America or any other territory.

We have the right to recover any payment **we** make from **you** if, under the law of any country in which **you** are covered by this **policy**, **we** have to pay a claim or make a payment which **we** would not normally have to pay under the laws of England and Wales.

- 3 driven by **you** if **you** do not hold a licence to drive the vehicle or are disqualified from having such a licence
- 4 driven with **your** permission by someone who **you** know does not hold a licence to drive the vehicle unless that person has held a licence and is not disqualified from getting one

but **we** will still cover **you** under Sections 1, 2 and 3 if the claim arises because **your vehicle** was stolen and taken without **your** permission.

Vehicle repairs condition

We have a network of recommended repairers who will collect and redeliver **your vehicle**. The repair process will start as soon as possible once **your vehicle** arrives at their garage.

If **you** choose not to use one of **our** recommended repairers **you** will have to supply **us** with an estimate for the cost of repair from **your** chosen garage. If however the road traffic laws of Great Britain are wider than the minimum cover of the EU Member State where the incident occurred, then the level of cover in Great Britain will be provided.

European travel

If **you** are traveling within Europe but outside the territories listed within the **geographical limits** **you** will have to request **us** to issue a Green Card to extend the **geographical limits** and full **policy** coverage of the **policy**. If a claim is made which is not **your** fault and **we** have to make a payment, unless **we** can recover all sums paid, **we** will reduce **your** no claims discount.

No claims discount is only accrued where **your vehicle** has been covered on the **policy** for 12 consecutive months.

If more than one vehicle is insured with **us** no claims discount will be accrued separately.

No claims discount protected

If **you** have chosen to protect **your** no claims discount and paid an extra premium for this **we** will only reduce **your** no claims discount when **you** renew if **you** have made more than one claim that would have affected **your** no claims discount during the current **period of insurance**.
