

## RTI Taxi Gap

### BRIDGING THE GAP

In the unfortunate event of your car being stolen and not recovered or in an accident and declared a total loss, very few customers will receive back from their motor insurer the amount they originally paid you for the car, and this may mean they have to buy a lower spec vehicle or struggle to replace this vehicle at all.

This Return to Invoice GAP Insurance is arranged by Nice 1 Limited.

Nice 1 offers a comprehensive range of GAP products to cover the shortfall between the current market value of the vehicle and the original invoice price of the car.

### Eligibility Requirements

You are eligible for cover under this policy provided:

1. You purchase this policy within 180 days of taking ownership of the Vehicle from a VAT Registered Dealership or Internet Broker.
2. The Net Invoice Selling Price does not exceed £50,000 (fifty thousand pounds);
3. The Vehicle is listed in Glass's Guide and is less than 8 years old, and has covered less than 80,000, on the day that You purchase Your policy;
4. The Vehicle is not specifically excluded under the terms and condition of this policy.
